At their annual convention in June 2011 the current Washington State presidents of the Fraternal Order of Eagles Aeries and Auxiliaries named Pope's Kids Place as their designated charity for their 2011-2012 year.

The funds raised are to be used for construction of a new respite center facility on our campus in Centralia.

We are asking you to participate by donating funds to match the donation from the Eagles.

Your tax deductible donation can be sent directly to a designated account at Security State Bank by using the attached form.

If you prefer, you can contribute through our PayPal Account located on our web site.
